PEACE OF MIND

Automan
The Software with a Drive

*for Automobile Dealerships,
Tractor Dealers, Workshops & Spares*

Automan is a completely menu driven package running since last seven years at more than fifty cities from Srinagar to Guwahati & Sriganganagar to Tirupati. This package is designed for AUTOMOBILE DEALERS covering various areas of dealership like Vehicle Sales, Workshops, Spares, Warranty, Accounts & MIS with the theme of increasing the efficiency in operations.

VEHICLE SALES

This module covers various reports regarding marketing analysis, sales analysis, targets & forecasting vehicle stocks, Area wise/Financier wise/Sales Rep. wise/Model wise Tracking along with Performa Invoice Booking, Invoice, Delivery/Advance Delivery & cancellation(Tractors), Stocks, Sales Tax Report & MIS Report.

WORKSHOP

It has been observed that proper Computerization of workshop have justified the cost of computerization in less than six months. It covers Job Card, Spares Issue, Labour Charges, Mechanic Performance, Billing, Workshop Status and Reports thereof. It also covers modelwise and dealerwise job related details.

SPARES

One of the most neglected areas is a big money blockage involved in its spares section. This module enables you to increase the spares sales managing inventory at optimum level. It covers Purchase order, Purchase/Counter Sales, Stock transfer, Stock Reports, Binwise Current Stock, Stock Forecasting, Projected Purchase Order, Part Ageing Analysis, Part wise profitability with Alternate part master & local name tracking.

WARRANTY

This module covers Warranty claims at workshop, Claim submission to supplier and Credit note/claim return thereof. This also checks for errors and mistake in claim processing as delay in claim presentation effects fund flow as well.
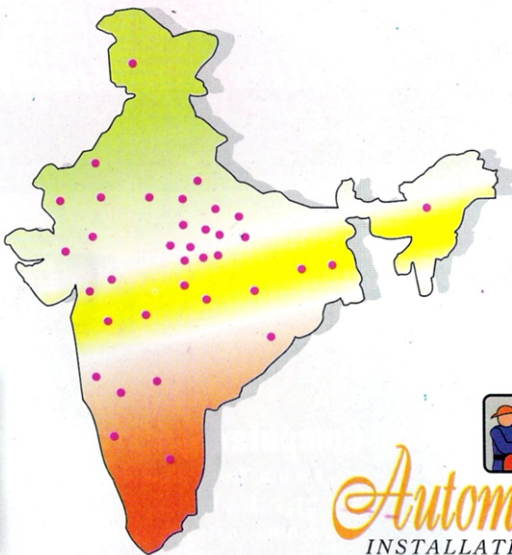

ACCOUNTS

This module covers Accounting aspect of the company linked with all other modules. This removes duplicacy in working while removing the cost of cross checking and validation. It covers the statutory books as required in double entry system

REPORTS

Cash Book, Bank Book, Trial Balance, Sub Trial Balance, Bank Register, Ledger, Contra Ledger, Merge Ledger, Interest Ledger, Cash Flow, Fund Flow, Profit & Loss, Ageing Analysis of Debtors, Ageing Analysis of Creditors, Journal Book, Credit & Debit Note Book, Cheque Cleared/UnCleared Register, Trading & P&L and Balance Sheet.
